No. 1322/261 Dated Bangalore 28th September 1889.

Sir,

With reference to the marginally noted Proceedings of the Government, I have the honor to submit for orders the following requirements.

(1) The Railway Police Assistant Commissioner requires a clerical establishment for the conduct of office work. For the present, I have directed two Constables being detailed from the Bangalore Town Police for forming the Police Assistant Commissioner's office. These two Constables are low paid subordinates and I have accordingly to solicit Government sanction to their being paid for journeys by Rail, double third class fare instead of a single fare in accordance with the Travelling allowance Code.

× No. 3714-8 dt. 16th August 1889. 393

I have in anticipation of sanction of Government authorised substitutes on full pay being entertained in their place in the Bangalore Town.

2) The Railway Police Assistant Commissioner likewise requires three orderlies. I have in the same manner empowered him to take the requisite number from the Bangalore District Police, and have asked the Deputy Commissioner of Bangalore to entertain on full pay substitutes in their place, in anticipation of sanction.

(3) The special magistrate deputed for Railway duty does not oust the jurisdiction of local magistrates. I find that the amildars of Bangalore, Seringapatam and Arsikere are second class magistrates, all the others being third class magistrates. I beg to propose that charge sheets in the case of offences falling within the jurisdiction of amildar magistrates, in the first instance as a rule, be placed before them and if they cannot conveniently hold their court in the Railway stations concerned, the sheets may be sent on to the special magistrate. This arrangement will obviate the inconvenience of the special magistrate being at one and the same

No. 2439/334 Ex:/

Dated 12th February 1891. (18)

From

The Inspector General of Police in Mysore

To

The Chief Secretary to the Government of Mysore

Sir,

I have the honor to submit for the orders of Government the desirability of removing some anomalies which exist in the present organization of the Railway Police and of placing the same on a more satisfactory footing. When the Rail= =way Police was first Constituted, the question of the permanency or

otherwise

otherwise of it had not been fully
settled and before it was decided
the Dewan did not wish a fully or-
ganised Police to be established
for the Railway as it sufficed for
immediate needs to have taken
some men from the existing force
and Kept them on the Railway.
This Police has existed for some
time and I beg to submit that
it is most desirable that it should
be separately organised like the
Town Police of Bangalore, or Mysore.
The members of the Railway Police
now have no chance of regular
promotion, for the grades are not
regulated upon any scale. They
cannot look forward to any promotion
in the District Police or Town Police

to

to which they now nominally belon
as the latter are under the Deputy
Commissioners who have no con-
-nection with the Railway Police.
Even in the matter of their uniform
men belonging to the Town Police
wear their Town uniform, while those
of the District Police have a distinct
kind of it. Thus at the same time
and in some cases in the same
station, Police men wear two des
criptions of uniform, whilst some
officers are designated Sergeants
and others Duffedars.

7. I do not propose to increase
the numerical strength of the
Railway Police with the exception
of a Head constable for the Bangalore
Arsikere Section. What is wanted

is that the existing number should be cast into a scale such that a regular course of promotion may be opened up from grade to grade. It is of great importance that the pay of the Railway Inspectors should be raised. I find that the Railway Inspectors now labor under certain drawbacks from which their compeers in the District Police are free. Railway Inspectors have to travel constantly and the work is physically arduous. The small batta that is now allowed them hardly goes to pay the necessary expenses. They cannot but keep horses particularly the men at Bangalore and Mysore and yet they are not, under the Rules in

Section	Total No. of cases or accounts reported during the 12 months ending 30th October 1890	Number investigated by Inspectors	Number investigated by Sergeants	Number unemployed or in Sergeants not belonging to Inspectors
Mysore - Bangalore	47	47	..	
Bangalore - Arsikere	132	115	16	
Arsikere - Harihar	59	52	7	

in force, entitled to horse allowance. Inspectors on the Bombay and other sections of the Railway Police are highly paid and the same work is expected of our Inspectors. In these circumstances, I beg to recommend that the pay of the Inspectors may be raised as provided in the proposition State= =ment.

3. The Railway Police Assistant Commissioner has applied for 3 Head Constables. I find upon a reference to the actual num= =ber of cases investigated, which I note on the margin, that the Bangalore - Arsikere section alone requires an additional investi= =gating officer. During the twelve months

months ending the 30th October last
on the Bangalore Arsikere Section,
132 Cases had to be investigated.
When the Inspector happens to be
absent in one direction Cases
may occur in another for which
no officer of experience may be
available for investigation.

In one case at the Tiptur Station
the absence of the Inspector on
other duty seriously prejudiced
a case of theft in which the
prosecution was insufficiently
represented by a Constable
and which accordingly ended
in the discharge of the accused.
I have the honor to recommend
accordingly that a Head Constable
may be sanctioned for the

the Bangalore-Arsikere Section. The other items in the proposed scheme do not call for particular notice.

I have the honor to be

Your most obed^{t} Servant

Inspr Genl's letter No 2439/334 & 12th Inst forwarding certain proposals with regard to the increase of pay to Railway Inspectors & the organization of a separate Police force for the Railway

In the Perspective Statement enclosed with the above letter contained under the head "Present scale" and three Government Orders are cited as launching them. These three Orders (to which alone relate

& Constables) cover
130 Constables - Explan-
-ation is required as
to the diff[ce] of 8 Constables -

2 Very probably. There
some Establish[t] which
the D[ft] has asked for
but wh has not yet
been sanctioned so
included under
"present Scale" - If
so, this is of course
wrong & a correct
revised statement
should be sent showing
under "present Scale"
only the sanctioned
Scale, & under "Proposed
Scale" ~~only all that~~
the Establish[t] as it
will stand if the
D[ft]'s proposals were
sanctioned - A third
Col[n] should be added
to show the diff[ce] between
the two -

3 Mr Ilbert observes that
formal authority to Govt to increase
the authorised establishment
of Constables does not appear
to have been given, &
that in no
instance of which
case on the
it should Govt[t] determine to authorise

To

The Chief Secretary to the
Government of Mysore.

SIR,

I have the honor to submit, as required in your No. 3218/336 dated the 15th ultimo, a revised Proposition Statement of the Railway Police which I proposed to re-organise in my letter No. 10529 2439/334 of the 12th February last. The difference pointed out between the scale sanctioned by Government and that shown as sanctioned in my former Proposition Statement is, as stated in para 2 of your docket, due to an establishment of 2 writers and 3 orderlies for the Railway Police Assistant Commissioner and 3 writers for the Railway Inspectors whom I entertained in anticipation of Government sanction and whose entertainment I reported in my letters Nos. 5245 1322/261 of the 28th September and 7193 2015/417 of the 16th December 1889. These writers and orderlies

wer

were urgently required and had to be given to the Railway Police Assistant Commissioner and his Inspectors for the purpose of carrying on their current work which could not be conducted without them. Not having received orders, this office wrote a reminder on the 17th June 1890. I beg to state that I had to act in anticipation of sanction to save delay which would have caused inconvenience if not a deadlock in the transaction of daily routine. My application for the additional hands was in September and December 1889 and the establish-ment has therefore been in existence for upwards of eighteen months; and as it was not negatived it was entered as sanctioned through forgetfulness. A correct statement is now submitted on which I beg to request the favor of early orders.

I have the honor to be
Sir.
Your most Obedient Servant.

Inspector General
of Police.
